WILMINGTON ASSOCIATES TO HOLD THEIR FIRST HARVEST DANCE, OCTOBER ELEVENTH AT GRANGE HALL

One of the finest events of the Fall season will take place next Tuesday night, Columbus Day eve, when the Associates put on their first harvest dance at Grange Hall.

One of the finest dance bands in New England will play music that fascinates for both young and old. No matter what your age, you are guaranteed a very pleasant evening. Grange Hall should be filled to capacity.

This affair has a double purpose. The development of an all round athletic program in Wilmington throughout the year, with a twenty percent guarantee of the profits to be donated to the Ambulance Fund, which has already given, and will continue to give so much of beneficial service to our town. The associates appreciate the need of service and ask the cooperation of the towns people to assist these great activities.

The boys are always in need of new athletic equipment and in order to cope with other towns of our size, money must be available for this equipment. The past baseball season was the most successful the Wilmington Associates ever had. The team played forty games as a member of the first Middlesex County League, which included Tewksbury, Chelmsford, Littleton, Dracut and Wilmington. The team also played in the series at Lowell for representation at the National semi-pro baseball championship at Wichita, Kansas.

Next year we hope to be bigger and better. Preparations are now being made for a big year. New uniforms and equipment will be necessary and any financial help you can give will be appreciated.

The Associates thank greatly the merchants of our town for their fine support. About every merchant without exception has donated to our fine cause, and when you see their name associated with our dance program, we hope you will patronize them.

If you are one who has not had the opportunity to help, you can buy tickets for the dance from the following committee: George Beal, Chairman, "Russ" Crocker, Don Corsetti, Charlie Jordan, Jim Gilligan, Elmer Beal or any member of the sports committee which includes Bill Houlihan, Larry Cushing, Jack Nolan, Harry Stewart, Carl Connor, "Vut" Galka, Truman Bennett, Bob Baker, Carl Buckman, John Cuoco, "Wes" Baker, Dick O'Neil, Bert Frotton and Lefty Grateyh. See you at Grange Hall on Columbus Day evening.

APPRECIATION

Mrs. Clarence Peters of Woburn street wishes to thank her neighbors for the able assistance they gave her when fire broke out in the cellar of her home last week, especially Officer Talbot Sidelinker who checked the fire with a garden hose.

POLICE NEWS

Last Monday morning, October 3rd, John E. Foster, of Lakewood Road, Lynnfield, appeared before Judge William Henchey of the Woburn court in answer to a charge of drunken driving.

The charge was lodged against Foster following an accident on Middlesex Ave., on Sept. 25th, when his car collided with a car owned by Jockey Duffy.

Attorney Kenney of Woburn appeared as council for the defendant, while Chief Ainsworth prosecuted for the Police.

Foster was found guilty and ordered to pay a $50.00 fine. During the trial, Foster introduced a witness who claimed he (Foster) had trouble with his legs some time ago, and that his ailment returned, causing him to walk as though drunk.

Foster claimed to have had only two glasses of beer and those both earlier in the day. Judge Henchey remarked that he could not help but admire the way in which the Chief, and Officers Watters and Hoban, presented their case and of their appearance upon the witness stand.

WELFARE NEWS

Five boys were sent to the CCC last Monday morning. Each boy received $30.00 per month, $25.00 of which is sent to his parents. This has been a great help to needy families.

FORMER LOCAL MAN KILLED IN AUTO ACCIDENT

Albert E. Robinson, Jr., known locally as "Jerry", son of Mr. and Mrs. Albert Robinson of Shawsheen Ave., was killed in an auto accident last Saturday evening at 7:00 P. M., in Los Angeles, Calif.

Mr. Robinson was returning from work when his car collided with a truck. His body is being forwarded to his parents' home in Wilmington, from where he will be buried. Funeral arrangements have not been made as yet.

"Jerry" Robinson was a member of the U. S. Navy for eight years, serving on the U. S. S. Texas and U. S. S. Astoria. After his last enlistment he married and made his home in Los Angeles.

Besides his wife, Mrs. Edna Robinson, he is survived by his parents, Mr. and Mrs. Albert Robinson; eight sisters, Mrs. Charles Milles, Miss Olive Robinson, Mrs. Wilbur Cox, Mrs. Grace Bourbeau, Mrs. Howard Southmayd, Mrs. Warren Mahoney, Mrs. Fred Thompson and Mrs. James Cosgrove, also several nieces and nephews.

LEGION AUXILIARY TO HOLD MEETING

On Monday evening, October 10, 1938 at 8:00 P. M., the American Legion Auxiliary of Post 136 will hold a special meeting at Legion Hall.

It is requested that all members make a special effort to attend.

LEAVE PORCH LIGHT ON IF POSSIBLE

During the past week many have requested that we ask those who can to leave their porch lights going.

The suggestion is a good one and will be followed by many, wishing to co-operate while the street lights are out. There are a great many tree stumps left that are a menace to those walking on the sidewalks in the dark, and a little light here and there may save someone from being hurt.

WILMINGTON PLAYS HOWE

On Saturday afternoon at the Town Park, the Wilmington High eleven inaugurates its football season when it takes on Howe.

The locals have a tough nut to crack in the Howe eleven, as they are considered by many as the probable suburban champs of 1938. But the locals can do it with a little moral support.

So if you can wend your way to the Town Park Saturday to give your team a boost, do so. Every little bit helps.

WARNING

Chief Harry Ainsworth wishes to warn everybody, especially children, not to touch wires hanging from poles, trees or houses. Also, not to play where there are hanging wires, as the electricity has been turned on.

TOWN BOWLING LEAGUE NOTES

Only ten teams will be in the Town League this year, and the tenth team will either be the Legion or Lairds Sign Hangers. The season will now go on for the next 27 weeks, and schedules will be given to the various captains for distribution to their bowlers sometime this coming week. Next week's scheduled matches are as follows:

Wed., Oct. 12 — North End — Men's Forum on 1-2.

Wed., Oct. 12 — S. P. M. Class —Benny's Radio on 3-4.

Thurs., Oct. 13 — Silver Lake Mkt. — Buck Bros. on 1-2.

Thurs., Oct. 13 — W. A. D. A. — Team No. 10 on 3-4.

Fri., Oct. 14 — Huntleys — Wil. Coal Co.

You will note that no matches are scheduled for the night before the holiday, but are scheduled for the holiday, so please bear this in mind.

Numerous changes have taken place on the various teams since the close of last season.

The Lake team lost Hoc Blair, who has gone back to Vermont, to take care of the Green Mountain Boys. In his place they picked up George Fuller on waivers from Huntleys.

Huntleys have added Jerry Polcaro to their line-up and they now boast of five bowlers who are all of different nationalities, namely, Polish, French, English, Italian, and Irish. To make everything work in harmony, a Jew keeps score for them.

NOT INTENDED

In accord[illegible] issue of the "Mirrors of Chap[illegible] commended some of the Laws, appointments in town for their [illegible]work during and after the hurricane.

In doing so, we omitted mention of the work done by the W. P. A. and have been called to account for it.

It was not done as a slight to the W. P. A. workmen, for we know they worked hard, if not harder than any of the others. I have no bone to pick with the W. P. A. men, for I, myself, was one of them not so long ago.

The article was meant to give credit to the departments and the men employed in them. As we were not notified that W. P. A. men were working on cleaning debris as a project, we couldn't very well comment upon them, though we did know that a large number of them were working in clean-up gangs for some of the departments.

In regards to the latter part of a note received by us, pertaining [illegible]e W. P. A. boys being—sore, without mentioning names, I have talked with quite a few and find they didn't even know about it. Some of them even telling me that the writer, whoever he is, had no business representing them at all.

and Co. has formulated a good plan in the hiring of help. He hires married men with families first, married men with no families next, and then single men. This is a good plan, as it gives the man preference who has dependents, and we do not believe that any single man would deny this person the privilege of supporting his little family ahead of himself.

The hurricane certainly created a lot of work. There is no excuse for any able-bodied man being on relief, right at present. Some men might think that they are not able to swing an axe, but this type of work is not too strenuous for anyone that is ambitious to work.

SCOUT NEWS

In spite of the stormy night last Friday, we had a very good attendance. There were 32 boys, three officers, four visitors. We did not hold a regular meeting on Friday, Sept. 23rd, as there was no light at the hall due to the hurricane. We held a short business meeting by lantern light. We also postponed our monthly hike, on account of the storm. Many of the boys had to clean up and help clear away after the storm.

Last Friday we held our usual advancement classes. Tenderfoot class by Charles Black, Jr.; knotticing class by Elwin Hovey, flag history class by Charles Stewart, Court of Honor is postponed until October 14th. It will be in charge of Charles Black, Jr., assisted by the owl patrol, (Elwin Hovey, patrol leader.)

We hold our training course for patrol leaders every other Tuesday night. The leaders claim these are the most interesting meetings they have attended.

We have nearly completed our first annual report on scouting in Wilmington, covering between June 1937-June 1938.

CHEV TO HOLD DEALER PREVIEW

A program of 42 meetings to be attended by 80,000 members of the company's retail organization from coast to coast, is being arranged by Chevrolet for the period between Oct. 6 and Oct. 14, W. E. Holler, general sales manager, announced today.

The purpose of the meetings, designated as Dealer Pre-View Conventions, is to present all models of the 1939 Chevrolet line to the dealer organization, and acquaint its members with sales and advertising plans for the coming year.

De-centralization of the sessions at which the new product is presented to dealers and salesmen is expected to accomplish in a few days what would require weeks if the retail forces were brought to Detroit, as they were in 1933. In that year, 12,000 men were brought in by Chevrolet, and three solid weeks were required to complete the program. Now that the number of men attending has been increased to include dealers' salesmanagers and salesmen, bookkeepers and mechanics bringing attendance up to 80,000, the present plan is the only one that would finish the job on time, for Chevrolet plans to announce its new product Oct. 22.

The task is expedited, however, at the cost of elaborate arrangements, whereby Central Office executives and wholesale field personnel will go into the territory, arrange for the largest meeting-place available in each of the 42 convention cities, install scenery, backdrops, and other properties, and supervise the meetings themselves.

Each of the meetings will be attended by all the dealers and dealer employes of the zone in which it is held, and in the case of two meetings — those at Boston and New York — retail personnel from adjacent zones will be included. This means that nearly 80,000 men will require transportation to the meeting points in their various zones. They will travel by railway, airplane, bus and automobile.

"Even with the de-centralization of the pre-announcement showings of 1939 product to our own organization," said Mr. Holler, "attendance in the various cities where meetings are to be held will average nearly 2,000. In the majority of cities, this will require the largest available meeting place. It will require the combined efforts of the whole Chevrolet organization to prepare and conduct the huge gatherings, the like of which has never before been seen in the history of American business."
